Please note that classes will not be held on the following dates:

Monday 19 January University Holiday

Monday 9 March Spring Break

Wednesday 11 March Spring Break

Wednesday 25 March Cancellation

Possible Adjustments to the Schedule:

The calendar lists the last class as Wednesday 22 April. I am prepared to end the semester earlier, namely by holding the last class on Monday 13 April, in order to provide you with additional study time provided that the three classes that are scheduled are made up during the semester. To do so, I propose that class be held on six Mondays from 6:15 to 8:20 PM. My understanding is that you have no scheduled classes on Monday evening other than Contracts II whereas you do have a class scheduled on Wednesdays at 8:00 PM. I am flexible as to the Mondays but would propose the following ones: Monday 26 January, 9 February, 23 February, 2 March, 23 March, and 13 April. I will poll the class at the first class to determine whether you wish to adopt this approach.
