

# Association Compliance Practices

Diane Bieri

# Trade Association Compliance Fundamentals

- Culture of compliance among association staff and members
- Train association staff to be trouble-shooters
- There are no stupid questions, so ASK FIRST.
- Certain topics should not be discussed – period.
- Know your objectives (agendas) and your outcomes (minutes)
- Bring antitrust counsel in early and often on special projects (e.g., surveys, codes of conduct, consortia)
