**FIRST CLASS TO MEET ON TUESDAY, AUGUST 21st**

**FEDERAL INCOME TAXATION**
Professor Perkins
Fall 2012

**CLASS SCHEDULE:** Tuesdays and Thursdays, 10:00 to 11:50 in Room 225
**OFFICE:** Room 305
**OFFICE HOURS:** By appointment
**EMAIL:** rholmes6@gmu.edu

**REQUIRED TEXTS:** *FEDERAL INCOME TAXATION* by Klein, Bankman, Shaviro (15th ed.) (“Casebook”) and *SELECTED FEDERAL TAXATION STATUTES AND REGULATIONS* by Lathrope (“Code” and “Treas. Reg.”)

**CLASSROOM PARTICIPATION:** Each class builds on concepts from earlier classes, so it is important to prepare for, and attend, each class. Your grade will reflect class participation.

Starting with the second class on Thursday, August 23rd, the class will be divided into two panels: a Tuesday panel (A-K) and a Thursday panel (L-Z). When your panel is on call, if you know you will be absent or are unable to prepare (e.g. due to an illness or religious observance), you must email me prior to the class and be prepared to be on call during the next class and you will not be penalized (e.g. if you are due to be on call for Tuesday’s class, but miss Tuesday’s class due to illness, you will be on call for Thursday’s class). This make-up option is ONLY available for excused absences that have been cleared with me beforehand. However, if you are otherwise absent or unprepared on a day you are scheduled to be on call, your final grade may be lowered. Your grade may also be lowered for excessive absences or poor classroom participation. I also reserve the right to raise grades based on exceptional class participation.

Each student is also given one free pass during the semester. This pass must be taken prior to the class for which you plan to be unprepared. In order to use a pass, you must email me at least 30 minutes prior to the beginning of class. A free pass cannot be used while you are being called on. You will simply be marked as unprepared. This free pass can be used at any time and for whatever reason – no explanation is needed in the email. If you have an excused absence and do not wish to make up your on-call day during the next class session, you may instead use your free pass if you so choose.

**TWEN:** It is mandatory that you register for the class TWEN page. All class slides, handouts and announcements will be distributed or posted through TWEN.

**EXAM:** The final exam will be on December 15th, 12:00 noon.

**CLASS ASSIGNMENTS:** Below is the tentative schedule of assignments. They are grouped by topics and not by class days (in other words any particular assignment may span multiple
class days). Weekly reading schedules will be given ahead of time based on the pace and progress of the class. Readings are from the Casebook. The Code and Treas. Reg. sections described below are the sections on which you should focus. You should prepare all questions and example sets in the Casebook unless otherwise indicated below.
