Contracts II Initial Assignments

Codes. “CB” readings refer to page numbers in JODY S. KRAUS & ROBERT E. SCOTT, CONTRACT LAW AND THEORY (4th ed. 2007). Cases identified by name are supplementary to the case book and will be posted on TWEN.

Class Meeting Times. Classes meet from 2:00 PM (1400 hours) to 3:15 PM (1515 hours) unless otherwise indicated in this Assignment Sheet. As explained in the Syllabus, six classes are extended to either 4:00 PM (1600 hours) or 4:05 PM (1605 hours) in order to make up two cancelled classes at the end of the semester and to allow for a potential cancellation due to weather.

Exercises. As indicated in the Syllabus, exercises have been assigned and are scheduled to be presented throughout the semester. This Assignment Schedule indicates when Exercises are scheduled to be presented and discussed in class by indicating the Exercise Number (e.g. Exercise No. 1). Approximately 30 minutes will be devoted to each exercise presentation.

Disclaimer. As indicated in the Syllabus, these assignments are approximations and the actual readings will be adjusted from time to time to permit adequate time for coverage of the material.
