**WAITLIST OPTIONS:**

Some courses, especially seminars, have limited enrollments. When attempting to enroll in these courses after they have reached their limit, you will see a message that the class is full. If a waitlist option exists, you will be given the option of adding your name to the waitlist. When you add your name to a waitlist, you must check your PatriotWeb account frequently. **When an opening in the course occurs, an override notification will be issued to the first person on the waitlist.** This override is posted to your PatriotWeb account and an email will be sent to notify you of the override. Be sure to check your GMU email periodically if you are in a waitlist status. This override is only valid for 3 days. If no action is taken during that time, the override is cancelled, your name is dropped off the waitlist and an offer is made to the next person on the waitlist.

When you see an override notification on your account, you must first drop your name from the waitlist and then add the course to your registration. If you are no longer interested in the course, you should remove your name from the waitlist.
