Class Schedule:
Class meets Tuesdays and Thursdays at 10:00 am to 11:15 am in Hazel Hall.

Contact Information and Availability:
My office is Room 310; my office phone number is 702-993-9556.
Office hours will be held at a time to be determined. If you are unable to attend my office hours, please let me know and we can arrange to meet at a mutually available time. Please request appointments and direct other class-related questions or concerns via email (etreyger@gmu.edu).

Required Course Material:

Note: this is a softbound book; if you are purchasing the book on the internet, please note that I am not assigning Criminal Procedure: Principles, Policies and Perspectives, which is a more expensive hard-cover book. You are also required to purchase the supplement.

I will occasionally supplement the casebook with outside materials, which will be made available to you. Unless otherwise indicated, all reading assignments are from the casebook. The assignments will be adjusted from time to time to reflect the natural pace of the course and additional materials may be added. Assignments are numbered, rather than dated; unless I tell you otherwise, you should presume each assignment is to be completed for the corresponding class (i.e. Assignment 1 should be completed prior to our first class meeting).

Pay attention to the particular Notes assigned within the stated page range (e.g., Notes 1, 4 (1-10) means read Notes 1 and 4 that are within the page range given, and does not mean read all the material from page 1 through 10). The syllabus will be posted and updated on the course TWEN page: please pay attention to your email for assignment adjustments.

Classroom Participation and Attendance:
Classroom participation is part of the course requirements. I will regularly take volunteers but will also call on students randomly. My purpose is never to embarrass you, but to draw as much of the class into our discussion as possible; therefore, if you know that you will be absent or unable to prepare (for medical, family or other serious reasons), please let me know by email prior to class. Final grades may be raised or lowered by a third of a grade (i.e. from A to A- or vice versa) to reflect your class participation.

Academic Regulation 4 governs attendance. An attendance sheet will be available for your signature during each class. You are responsible for signing in for each class that you attend; at the end of the semester, if your name is missing from 20% of the classes, you are not eligible for course credit.

**Power Point Slides:**

I will make the class power point slides available via the course TWEN site at some intervals throughout the semester. You should keep in mind that slides will often contain minimal substantive information and cannot serve as a substitute for notes or attending class.

**Final Exam:**

The exam will take place on December 16, 2016, at noon. The exam will be open-book and open-notebook (details to follow).

**Internet and Phone Policy:**

I ask that you refrain from using the internet in any form, as well as phone messaging, during class time.

**Food Policy:**

Please check with me if you need to bring food into the classroom; on account on severe allergies, I must ask you to refrain from bringing certain foods into the room.
