

Spring 2022 Registration Information for First Year JD Students

First year JD students will use PatriotWeb (<https://patriotweb.gmu.edu>) to register for their spring courses beginning on November 23, 2021, at 9:00 a.m. Although first year students follow a pre-set schedule, the process of registering will allow students to become familiar with how to use the PatriotWeb registration system.

In addition, the law school offers a Winter Term in conjunction with the Spring 2022 semester. Winter Term courses are considered part of the Spring Semester. All first-year students are required to take the LRWA II programming during Winter Term. Some Winter Term courses are open to first year students if they do not conflict with LRWA II. For more information, refer to the Winter Term 2022 Schedule available on the law school web site.

Prior to November 23, please log in to PatriotWeb to confirm your individual registration time ticket and **check for any holds that could prevent you from registering**. You may also view the various user guides to become familiar with navigating the system. The full schedule of classes, as well as general registration information, is available on the law school web site. If you have questions or difficulties with the PatriotWeb system or registration in general, please contact or stop by the Records Office (703-993-8015 or lwrecord@gmu.edu).
