NOTES

// Enrollment with permission of instructor only.

+ This course has prerequisites. Please check course descriptions in the University’s catalog and syllabi for course prerequisite information.

(W) This course has been designated as a writing course.

(E) This course has been designated as an experiential course. Please note – for courses designated both (W) and (E), students may apply the course to either requirement, but not both. See Academic Regulations §3-3.2 for more information.

(DE) This course has been designated as a distance education course. No more than 1/3 of a student’s required 89 credits to graduate may be distance education credits. See Academic Regulations §3-3.1 for more information.

^ Final exams for Law 112-R02, 121-R01, 172-R01, 292-R01, 330-R02 & 392-R01 will be conducted in-person at Mason Square (Arlington campus).

(N.1) We will meet on one Friday morning (Jan. 23) from 8:00 to 9:55 a.m. at the law school; one Saturday full day (Jan. 24) from 9:00 a.m. to 5:00 p.m. in the Manuscript Reading Room at the Library of Congress (101 Independence Av. SE); and six Monday mornings (Jan. 26, Feb. 16, Mar. 16, Mar. 30, Apr. 13, and Apr. 20) from 8:00 to 10:55 a.m. at the law school. Full attendance at the Jan. 23 and Jan. 24 sessions is mandatory. If you fail to attend either of those sessions you will not pass the course. No exceptions. There is a good reason they take place before the Jan. 28 drop/add deadline: It gives you time to register for another course, if you miss the Jan. 23 or Jan. 24 class session.

(N.2) This course is only for students who are in an extramural moot court competition. Teams will arrange additional meeting times with the instructors.

(N.3) Information regarding SP26 clinics, field programs, and externships will be sent via LawNews email on 10/14/25. The Arts & Entertainment Advocacy Field Program is letter-graded; the Copyright Claims Board Field Program is CR/NC.

(N.4) The Bankruptcy Court Externship program will meet at the United States Bankruptcy Courthouse (200 South Washington Street) in Alexandria, VA from 10 a.m. to 1 p.m. on the 2nd and 4th Fridays of each month.

(N.5) Students must have taken or be concurrently enrolled in Law 224 to enroll in the Copyright Claims Board Field Program. Awards 1 out-of-class credit, CR/NC. Will meet concurrently with Law 224 on select weeks throughout the semester - see syllabus for more details.

(N.6) Some required class meetings for the Giles Rich Moot Court may take place prior to the start of SP26 classes.

(N.7) This clinic or field program meets for two hours a week. Students will receive four credits total for the semester because of meetings and work outside of the regularly scheduled classroom time. This is a year-long clinic or field program and requires enrollment for both Fall and Spring.

(N.8) JD students who took Law 622 once before, may enroll a second time because course content changes every semester.

(N.9) JD students who took Law 208 once before, may enroll a second time because course content changes every semester. This course awards 1 in-class credit and 1 out-of-class credit.

(N.10) This course will meet twice a week for a total of 4 hours per week, and a total of 20 times during the semester (i.e.10 weeks).

(N.11) This is a required course for students ranked in the bottom quartile (25%) of the class at the end of their penultimate year. Those students will be enrolled directly in the course. The course will open for registration as an elective option, to students in their final year, during the regular enrollment period.

(N.12) This course will not meet weekly; there will be assigned dates throughout the semester as listed in the course syllabus.

(N.13) This practicum meets for two hours a week but students receive three credits total because of meetings and work required outside of the regularly scheduled classroom time. Awards two in-class credits and one out- of-class credit.

(N.14) Students must receive approval to register for the Supervised Externship programs and should submit the Externship Information form found in the Externship Module on Symplicity to begin the process. (Virginia Practice Externship applicants will submit the form after meeting with the program directors.) To access the form, log on to Symplicity and select the Externship Module from the “Shortcuts” on the right side of the screen or the “Experiential Module” (it shows both ways) and select “add.” Once approved, students will be registered by the Records Office for the appropriate externship course. Students not being compensated for the work performed will be registered for Law 320, 321, or 179. Students being compensated for the work being performed will be registered for Law 520, 521, or 579. Students are limited to a maximum of 6 credit hours of compensated externship credit and such credit may be earned only in a student’s final two full semesters (fall or spring).

(N.15) Only students who were accepted by the Director of First-Year LRWA as Writing Fellows are eligible to enroll.

(N.16) This course is complementary to Law 240: Law & Regulation of Financial Institutions.

(N.17) This is an asynchronous course with weekly assignments, and it will follow the format of the other Law 178: Legal Fundamental courses (e.g., 13 classes, 1 mid-term and 1 final exam).

(N.18) This course meets remotely and on-site for two weekends. Time and days are TBD.
