

SPRING 2026 REGISTRATION INFORMATION FOR PART-TIME FIRST YEAR JD STUDENTS

As a first-year JD student, your [Spring 2026](#) course schedule is pre-set and will include these three required courses: **Civil Procedure**, **Contracts II**, and **LRWA II**.

While your schedule is pre-set, **you are required to register for these courses yourself** using [PatriotWeb](#). This process ensures you become familiar with the university's online registration system—a critical skill for your future semesters.

The registration window opens on **Wednesday, November 5th at 9:00 AM EST**.

Before that day arrives, you have two essential steps to take:

1. [Log in to PatriotWeb now](#) to confirm your individual registration time ticket.
2. **Check for any holds.** If there are any financial, administrative, or other holds on your account, they will prevent you from registering. Resolving them now to prevent registration delays.

If you encounter any difficulties with [PatriotWeb](#) or the registration process in general, please reach out to the Records Office at 703-993-8015 or lwrecord@gmu.edu.

Your Spring 2026 registration **must correspond to your assigned section**. For example, if you are currently enrolled in LRWA I (096-**001**) with Kehne, you must register for LRWA II (097-**001**) with Kehne for Spring 2026. Please, register for the following courses:
