OVERVIEW

SCALIA LAW'S ONLINE LLM IN U.S. LAW meets many of the needs of students that are often neglected by residential LLM programs. Traditional programs can be expensive and take lawyers away from their families and jobs for a year or more. Existing programs are not specifically aimed at students who already hold a law degree earned outside the U.S. or are non-native English speakers. By comparison, Scalia Law has created courses specifically for foreign-educated lawyers, providing what they need: a comprehensive overview of U.S. Law and a path to bar passage in the U.S.

EARN A MASTERS DEGREE (LLM) IN U.S. LAW IN LESS THAN ONE YEAR. All you need is a computer, an internet connection, and a desire to unlock your human potential and advance in your career. Listen to lectures, participate in courses, network with attorneys around the world, and even take final exams on days and times that are convenient for you.
